(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

my Patent (#10/619,024) was abandoned unavoidably because The attorney I retained to obtain my patent did not contact me for the Patent Issue Fee. He claimed that he sent notification, but I did not receive any (in a timely manner). After the deadline of the Patent Issue Date I received a letter from my attorney stating that I did not respond to him in a timely manner. There was no way I could respond to something that I didn't have any knowledge of. Enclosed are the ^①correspondence they claimed was sent to me for the Issue Fee.

I am also enclosing a correspondence for filing a final amendment that was suppose to take about a four month response, and the correspondence I received after the deadline.

Response on my part was unavoidable because I had no knowledge of what was needed from me.

(Please attach additional sheets if additional space is needed.)

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. An adequate showing of the cause of the delay, and that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(a) was unavoidable, is enclosed.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Re: Filing of the Final Amendment to Your U.S. Patent Application
Title: EYEBROW SHAPING DEVICE

WFSS File No.: 30164

L&P File No.: 23-0267

Dear Denise:

Enclosed please find a photocopy of the final Amendment that was mailed to the U.S. Patent and Trademark Office on March 06, 2006, in response to the Office Action dated January 05, 2006. This final Amendment made additional changes in the claims to hopefully distinguish the claims of your patent application from those patents cited by the Examiner and gain allowance of your application.

We hope to receive a response from the Examiner in approximately 4 months and will send you a copy of the Examiner's response to our amendment, so that the appropriate action can be taken at that time.

Please review the Amendment. If you have any questions or comments, please forward them to our office in writing with your WFSS File No. 30164 and your L&P File No. 23-0267, so we can add them to your file.

Respectfully yours,

WOODS, FULLER, SHULTZ & SMITH P.C.

It is to your advantage not to wait. Failure to make this payment by the due date will result in abandonment of the application. If you miss the issue fee deadline, the cost for reviving your patent application would be \$750.00 (U.S.P.T.O. Revival Fee) and \$700.00 (U.S.P.T.O. Issue Fee), plus \$250.00 in attorneys' fees for preparing the petition for reviving your patent application. **We cannot be responsible for the timely filing of money orders that are received by our office less than two weeks before the July 12, 2006, due date.**

Please check the "Declaration and Power of Attorney" at the end of your copy of the patent application that was filed on July 14, 2003. The address that appears in that "Declaration" is the address that will be printed on the front of the Official Patent Grant document. If your address has changed, or you want a different address on the patent than was printed in the "Declaration and Power of Attorney," please notify us as soon as possible so that notification of this change can be submitted to the U.S.P.T.O. with the Issue Fee payment for your application. **Even if you have previously notified our office of an address change for you, we do not automatically notify the U.S.P.T.O. of an address change unless you expressly instruct us to do so.**

Thank you for allowing us to assist you with your patent application. If I may be of further service, please so advise.

Best regards,

Dear Denise:

Congratulations!! It is our pleasure to inform you that the U.S. Patent and Trademark Office (U.S.P.T.O.) has indicated that it will allow your patent application to issue as a patent. Enclosed is a copy of the Notice of Allowance and Issue Fee Due. The U.S.P.T.O. requires that you pay an "Issue Fee" before your application will issue as a patent. Re: FAILURE TO SUBMIT THE PATENT ISSUE FEE
Title: EYEBROW SHAPING DEVICE
WFSS File No.: 30164
L&P File No.: 23-0267

Dear Denise:

Since you have not responded to our letter dated April 20, 2006, which requested that you forward the government "Issue Fee" to our office for submission to the United States Patent and Trademark Office ("U.S.P.T.O.") within the allowed time period, your above-identified patent application has been placed into an "abandoned" status by the U.S.P.T.O.

If you still wish to have your United States patent issue, you will need to file a "Petition to Revive an Unintentionally Abandoned Patent Application." The petition should be filed within one year from the date on which you should have paid your government Issue Fee, and the petition will need to include both the unpaid Issue Fee and an additional government required "revival fee" in the amount of \$750.00.

If you would like our firm to prepare and submit the revival petition to the U.S.P.T.O., we need you to send us the following:

A check made payable to the "Assistant Commissioner for Patents" for \$1,450.00 (which includes the Issue Fee of \$700.00 and the revival fee of \$750.00); and

Denise Robinson

July 18, 2006

Page 2

A check for our attorneys fees made payable to Woods, Fuller, Shultz & Smith P.C. in the amount of \$250.00.

If the petition is not filed within a one year period from the Issue Fee due date, the U.S.P.T.O. may refuse to issue any patent based on your patent application, depending upon the particular situation causing the delay. Further, if the revival petition is filed more than six months after the application has gone abandoned, the U.S.P.T.O. may require the term of the patent to be "disclaimed," or surrendered, in order to revive the application.

If we do not hear from you in writing within the next fifteen days (include your WFSS File No. 30164 and your L&P File No. 23-0267), we will presume that you have decided not to proceed and will close your file.

Respectfully yours,

Dear Denise:

Since you did not respond to our letter dated April 20, 2006, which requested that you forward the government "Issue Fee" to our office so that the issue fee could be forwarded on to the United States Patent and Trademark Office ("U.S.P.T.O.") within the allowed time period, your above-identified patent application has been placed into an "abandoned" status by the U.S.P.T.O.
